Kate,

We are hoping to get a press statement out about this soon, so we may just go with the understanding that these are the formula capitalization grants for now and then follow up if more FY18 funds are released.

Also for your situational awareness, I also have Matt Klasen and Matthew Davis (from HQ I think) on the case because I'd forwarded the email chain with Kathy Mimms and Barbara Brooks after I didn't hear anything back from them. When I called Kathy Mimms, she sent me to Julie Ross.

Thanks for digging into this for me.

KT

Hi Katie –

We will look into the question on additional funds and get back to you.

It might be tomorrow, hopefully that work for you.

Thanks!
